

## Camp Quality New Jersey's 5<sup>th</sup> Annual

Camp Quality New Jersey, a 501c3 charitable organization, is one of sixteen camps affiliated with Camp Quality USA. Our mission is to provide community-based camping experiences along with ongoing support programs and events throughout the year at no cost to children with cancer and their families. The flagship event of the year is a week-long overnight summer camp held in August that is complete with an on-site medical staff to ensure children in any stage of treatment can attend camp. Additional events during the year include an overnight Winter teen camp, camp reunion, and Fall and Spring family events. Through these experiences along with the development of meaningful, supportive relationships, we strive to bring hope and joy into the lives of our beautiful children and their families.

As a 100% volunteer driven and community funded non-profit organization, Camp Quality New Jersey's programs function solely on donations and fundraising. Our yearly gala is an integral component of our fundraising efforts when we typically offer basket raffles, as well as silent and live auctions, to raise proceeds. Please consider supporting this year's gala by way of monetary and/or in-kind donations, or by becoming one of our gala's official sponsors. Detailed sponsorship options are on the opposite side. For your convenience, Camp Quality New Jersey's Federal Employer Identification Number is 38-2208796.
