Camp Quality New Jersey (CQNJ) was founded in 2003 as an IRS recognized 501(c)(3) charitable organization and is one of 16 camps affiliated with our national organization, Camp Quality USA. CQNJ serves children with cancer from New Jersey, New York, Pennsylvania and surrounding locations.

CQNJ's mission is to provide community-based camping experiences along with ongoing support programs and events throughout the year at no cost for children with cancer and their families. Our vision is that children with cancer and their families find joy and hope through shared experiences and comfort in knowing they have a strong ongoing support system on which they can always rely. CQNJ is 100% volunteer-driven and relies on monies raised through fundraising and donations to sustain its programs.

CQNJ's annual flagship event is our overnight summer camp held in August. What sets CQNJ apart from other camping programs is our unique companion-camper program. Each child, age 5 through 17, is thoughtfully matched with a trained adult who they spend 24/7 with during the week at camp. The week is filled with fun activities aimed at encouraging group interactions among campers and companions. We also have an on-site medical team enabling the children who are not in remission to continue receiving treatment while at camp.

Additional Camp Quality events during the year include an overnight Winter Teen Camp, camp reunion and fall and spring family events. Campers, their families, companions and CQNJ volunteer staff can nurture relationships and have some fun.

We hope that the experiences that CQNJ provides to campers and their families will be so profound that they look forward to and anticipate future camp events, and that the memories and bonds they form will sustain them in the weeks and months ahead.
